

# LORD'S DAY OF CELEBRATION

February 16, 2020

*In preparation for worship, please take time to silence all electronic devices, and quiet our thoughts, so that we all may focus our hearts and minds on the Lord.*

**Prelude**

*Guide Me, O Thou Great Jehovah*

*arr. Hopson*

**Welcome and Responsive Call To Worship**

**#308 The Holy Scriptures**

First of all you must understand this, that no prophecy of scripture is a matter of one's own interpretation, because no prophecy ever came by human will, but men and women moved by the Holy Spirit spoke from God.

**All scripture is inspired by God and is useful for teaching, for reproof, for correction, and for training in righteousness, so that everyone who belongs to God may be proficient, equipped for every good work.**

Indeed, the word of God is living and active, sharper than any two-edged sword, piercing until it divides soul from spirit, joints from marrow; it is able to judge the thoughts and intentions of the heart.

**For whatever was written in former days was written for our instruction, so that by steadfastness and by the encouragement of the scriptures we might have hope.**

Your word is a lamp to my feet and a light to my path. Open my eyes, so that I may behold wondrous things out of your law. Give me understanding, that I may keep your law and observe it with my whole heart.

**The Lord exists forever; your word, Lord, is firmly fixed in heaven. The grass withers, the flower fades; but the word of our God will stand forever.**

# WORLD DAY OF PRAYER

## World Day of Prayer at NPC “Rise! Take Your Mat and Walk” March 6, 2020, from 10-11:30am

This year, the women of the World Day of Prayer (WDP) Committee of Zimbabwe call us to worship with the words: “Rise! Take your mat and walk” from John 5. We are invited to learn about Zimbabwe’s history and rich culture. The women share their stories of intergenerational wisdom, traditions, and experiences of God’s profound love.

The WDP 2020 program is based on Jesus’ encounter with a person who, although positioned for healing, had not acted upon the opportunities given (John 5:2–9a). Jesus asked “Do you want to be made well?” You are faced with this life-changing question. What are you going to do? Use this opportunity to reflect with your WDP group, community and ecumenical partners. Prayer and action are what link us together around the globe.

Since the nineteenth century, Christian women in the United States and Canada have initiated cooperative activities in many areas of concern for women and children, recognizing the critical role of prayer in mission work and their call to promote world peace through worldwide mission work. The first organized “day of prayer for the world” was held in Canada on January 9, 1920. The United States soon followed on February 20, 1920.

Now, hundreds of thousands of women (and men, youth, and children) from around the world and in every region gather to worship on the first Friday in March. Each year, a different country serves as the writer of the World Day of Prayer worship service and other materials. Women of that country’s national WDP committee interpret scripture within their cultural context and prepare a worship service; women around the world lead the services.

All are welcome to join the fun! We meet in RM 107 beginning at 7:00pm.

## † The Monday evening Men's Bible Study group is open to new members.

If interested or for any questions, contact Tim at 610-853-2178.

## † Some of the oldest, continually-used mechanical parts of the church have just been replaced.

I am talking about the mechanical exterior lock assemblies, some of which were more than 60 years old and many of which were not working correctly. This means that if you rely on a "hard" metal key to get into the building, your old key will no longer work. With the exception of people directly involved in the Facilities Management of the church, we are directing all members and staff to use a plastic FOB for entry. All existing FOBs are unaffected by the lock update and will work just as they always have. If you need access to the church and do not have a FOB, please contact Tim Roykouff, Business Administrator.
