Small Groups

Small group leaders are encouraged to reach out to the Church office if any meeting resource (voice conference calling or video conference calling) is needed. Small group members are encouraged to remain in contact with each other. Some small groups may continue, others may take a break in this time. Small group leaders are encouraged to communicate with their group as to what you will be doing in this time.

In these difficult days, we pray for our health care professionals and first responders, for leaders at all levels of government, for those who are ill, or grieving the death of loved ones, for parents and children faced with the challenges of school at home, for those experiencing devastating financial stress and loss of employment and food scarcity.

We also pray for eyes to see the ways God is at work in this time. As one expression of the body of Christ at NPC, we pray that we may care for each other well, and find ways to bless our community with the compassion of Christ.

Gracious God, have mercy upon the world you love. Fulfill your redemptive purpose to bring great good out of this most difficult time. Grant us your peace, and let us share your peace with others. In the Strong Name of Jesus. Amen.

Love in Christ,
Pastor Steve
