Gracious God, as we have sung, help us to be still and know that you are God. We confess that we have not trusted your character or claimed your promises. When this world and other people let us down, we sometimes assume that you are the same. Please forgive us. We do believe, help our unbelief. Thank you for the word of Jesus that a mustard seed of faith can move mountains, and that you reward those who earnestly seek you. Help us to know that you are absolutely good, and that no prayer is ever wasted. In Jesus' Name. Amen.

PRAYER INFORMATION

Prayer Focus: ECO Church Planting and Global Mission Funds

Believing that churches and networks of churches should live out the whole of the Great Commission – including evangelism, spiritual formation, compassion, and redemptive justice – in our communities, and around the world,” ECO’s mission approach emphasizes the role of the local church in mission globally, through the planting of new churches, and the ongoing encouragement and equipping of Christians in existing congregations. Please pray for the Lord to move us all to share the Good News of Jesus through Christ-centered, biblically-based teaching, preaching, advocacy for the helpless, and compassionate service to all people.
