Weather Policy

Always check Brightwheel for updates regarding weather

- If Lower Merion School District has a 2 hour delay:
 - NPCCPS morning classes will be canceled.
 - Children previously signed up for lunch bunch will still be able to attend beginning at 12pm.
 - Children in afternoon classes will have school as scheduled.
 - Kindergarten enrichment will still occur.

- If LMSD closes for the day due to weather, NPCCPS will also close.

- In the event that LMSD is closed for a number of days due to power outages at their schools and if NPCCPS has power and weather is no longer an issue, NPCCPS will have school at the discretion of the Director.

- In addition, NPCCPS will add two “cushion days” to the school year. What that means is in the event that NPCCPS closes for 4 or more snow days over the course of the school year, 1 additional instructional day will be added at the end of the school year. If NPCCPS closes for more than 8 days, a second instructional day will be added.
